About this workbook
Guide for screen readers
There are 4 worksheets in this workbook.
Infographic Timeline
Chart Data
About
Chart Data (hidden)
The instructions for each worksheet are in the A column starting in cell A1 of each worksheet. They are written with hidden text. Each step guides you through the information in that row. Each subsequent step continues in cell A2, A3, and so on, unless otherwise explicitly directed. For example, instruction text might say "continue to cell A6" for the next step.
Hidden text will not print.
To remove these instructions from any worksheet, simply delete column A.
Helpful information
This Inforgraphic Timeline charts 5 significant milestones and their activities or descriptions on a timeline. To modify or add timelines, simply update the table in the Chart Data worksheet.
You can chart infomration by year, by day month values or create a blank space to place an icon or text box.
Excel, will load your Infographic timeline template, ready for you to use.
