Moon Calendar

Phases of the moon

Phases of the moon calendar

Provided by: [Microsoft Corporation](#)

This calendar template shows the phase of the moon for every day of the year. This phases of the moon calendar template will display the moon in its eight major stages, including new, waxing, waning, and full. Pick the year to display and enjoy. This is an accessible phases of the moon calendar template.

In the window that opens, Excel tells you that this calendar template, shows the phase of the moon for every day of the year.
