Any year calendar (single month per tab)

Provided by: [Microsoft Corporation](#)

Each month can have its own signature accent color in this year calendar. Use the year calendar template as is—with, for example, an icy blue in the month's color bar for January and a sunny yellow for July—or customize to your liking. This year calendar is ideal for schools or businesses that have month- or season-specific activities. This is an accessible template.

Download size: 58 KB

When you find the Any Year Calendar that you like, click on create.
