Weekly lesson planner

Provided by: [Microsoft Corporation](#)

Stay organized in the classroom or at home with a lesson planner template from Excel. This colorful lesson planning template allows you to schedule weekly activities for five subjects. Keep on track with student learning goals by planning activities and preparing material for each subject every day. Add evaluations or reflections in the note section. Be a better educator with a template for lesson plans from Excel. This is an accessible template.

In the window that opens, Excel tells you about this weekly lesson planner, and what it is best used for.
